

CLOUD NATIVE VALENCIA 2025

SPONSORSHIP PROSPECTUS

SUPPORTED BY

Contribute to the growth and advancement of our vibrant community

We are thrilled to present you with the unique opportunity to sponsor a Cloud Native Community Group (CNCG), an extraordinary series of meetups that play a vital role in fostering the global community of engineers, developers, and cloud-native enthusiasts.

As the adoption of Kubernetes and cloud-native technologies continues to surge, CNCG chapters have emerged as platforms for connecting like-minded professionals who shape the future of digital infrastructure.

WHY SPONSOR

Sponsoring a CNCG offers companies a unique opportunity to achieve multiple strategic objectives.

01

CNCGs provide **brand awareness** within the cloud-native and Kubernetes communities, connecting your company with highly engaged developers, system engineers, architects & technical leaders.

03

Associate your brand with one of the fastest-growing technology communities and demonstrates your **commitment to community** growth and development.

02

Gain access to **networking opportunities** with quality, targeted attendees, and leverage a CNCG chapter as a powerful platform to promote your product and recruit top talent from a diverse pool of skilled professionals.

04

By supporting a CNCG, your brand will enhance its **credibility** by establishing itself as a prominent and influential player in Cloud Native technology.
